Dear Emanuelites and Friends of Emanuel,
Effective June 3, we are updating our COVID prevention policies:

We now *STRONGLY* encourage individuals to wear masks when joining gatherings at Emanuel Congregation. We kindly request adults who have not been immunized to continue in joining us virtually until they can be immunized.

We will continue to meet and eat in person, for those who are comfortable joining us.

Respecting all Choices

Please remember to be respectful of everyone's individual choices regarding mask-wearing, handshaking, and personal space. Thank you for your participation in keeping our congregants, staff, and visitors safe and for respecting all personal choices.

Sincerely,

Emanuel Congregation COVID-19 Task Force

Emanuel Congregation Mission statement

At Emanuel Congregation, we open our doors to all who seek richer, more meaningful lives. Together, our diverse community engages in prayer, lifelong learning and *tikkun olam* (repairing the world), empowering adults and children alike to apply Jewish values to our everyday lives and to be a collective force for good.
