

## **Shalva – Donate Used Cell Phones and iPads**

Shalva supports Jewish women experiencing and healing from domestic abuse through counseling, supportive services and community education. 1 in 4 women experience abuse, including in the Jewish community.

When you donate a used cell phone or iPad, Shalva sends them to a recycling company and then receives money to help fund their much needed services.

To donate your used cell phones and iPads, bring them to Emanuel Congregation during either [Tashlich](#) on September 20th, or [Private Prayer](#) on September 27<sup>th</sup> (registration required for both events, click event name above to learn more).

You can also make a monetary donation online from Shalva's Take Action page: <https://shalvacares.org/take-action/>

**Thank you in advance for your support!**
