

Maot Chitim is the ancient custom of offering food to provide for the poor for the observance of holidays. Maot Chitim of Greater Chicago delivers food packages to over 5,000 area residents for Rosh Hashanah and Passover.

Emanuel Congregation has participated in this *mitzvah* for almost two decades, serving Jewish seniors at Lincoln Park Apartments, 600 W. Diversey Blvd. in Chicago.

TWO meaningful volunteer opportunities available to you and your family* on Sunday August 29!

*please note volunteers and their family members must be fully vaccinated to participate.

1) Please help feed families and individuals by volunteering to deliver food on Sunday, August 29th. This gives you a very special opportunity to bring joy to the people we serve at Lincoln Park Apartments, 600 W. Diversey Blvd. They love seeing you as much as they love receiving our food packages. Please make sure you and anyone you bring with you is fully vaccinated if they are over the age of 12. Volunteers should be masked when picking up and delivering food.

To help with the delivery, contact Stephen Melamed at stephen.melamed@gmail.com

2) We need help loading cars! You will be loading trucks or cars with food boxes to deliver to Jewish families in need. EACH SHIFT WILL BE AT LEAST 2 HRS. Shifts begin at 6:45 am, 8:00 am (you will get a great work out and do a mitzvah at the same time.) Volunteers must be fully vaccinated and masked.
